# COUNTY OF SISKIYOU Department of Agriculture

525 SOUTH FOOTHILL DRIVE • YREKA, CALIFORNIA 96097-3036 • (530) 841-4025 • FAX (530) 842-6690

JAMES E. SMITH

AGRICULTURAL COMMISSIONER  
SEALER OF WEIGHTS AND MEASURES

AIR POLLUTION CONTROL OFFICER  
ANIMAL CONTROL OFFICER

**Karen Ross, Secretary**

**California Department of Food and Agriculture**

**&**

**The Honorable Board of Supervisors, Siskiyou County**

**Supervisor Brandon Criss, District 1**

**Supervisor Ed Valenzuela, District 2**

**Supervisor Michael Kobseff, Chair, District 3**

**Supervisor Lisa Dixon, District 4**

**Supervisor Ray Haupt, Vice Chair, District 5**

In accordance with the provisions of Section 2279 of the California Food and Agricultural Code, I am pleased to submit the Siskiyou County Annual Crop and Livestock Report for 2020. This report represents estimated acreage, yield, and gross value of Agriculture products in Siskiyou County.

The gross agricultural receipts for 2020 totaled \$375,632,967. This represents an increase of \$27,171,675 from the 2019 growing season. Even with a reduction in acreage, nursery crops continue to be the largest contributor to Siskiyou County's agriculture production, with \$157,808,250 in value, and accounts for \$9,058,330 of the 2020 increase.

Moderate to severe drought conditions affected agriculture production in 2020; irrigation water was limited, fallowed acres increased, the short irrigation season impacted yield and quality, and massive wildfires burned up rangeland and timber.

The figures contained in this report represent gross values only, and do not reflect a net return to the producer or the cost of production, nor do they reflect any one individual operation since the entire county is the smallest unit measured for any particular commodity.

I sincerely appreciate the efforts and cooperation of all the agricultural interests which provided production information. I especially thank the department staff for compiling and producing this informative publication.

Respectfully submitted,

JAMES E SMITH

Agricultural Commissioner/Sealer of Weights and Measures

## MISSION STATEMENT

We are charged with promoting and protecting the agricultural industry of Siskiyou County. We ensure that the consumer has confidence that they receive accurate weight and measure in the market place. We protect the environment and the citizens of the county through our environmental and natural resource protection, consumer and industry protection, and animal control programs.

Siskiyou County has a rich farming and ranching heritage with many fourth and fifth generation operators. Livestock and field crops are the most common agricultural type of production in the county. Strawberry nursery production has recently become one of the county's most valuable crops with plants exported to many countries worldwide.

We are committed to serving and protecting Siskiyou County's agricultural industry as well as the County's unique and diverse landscape.

# About Siskiyou County

Siskiyou County is located in inland northern California, adjacent to the Oregon border. As the fifth largest county in California by area, Siskiyou County features spectacular natural beauty and scenic cities and towns including Yreka--the County Seat, Mt. Shasta, Weed, Dunsmuir, McCloud and Tulelake as well as Butte Valley, Scott Valley, Shasta Valley and the Klamath River Corridor. Greater than 60% of the land within the County is currently managed by agencies of the Federal and State governments. These include: The U.S. Forest Service; Bureau of Land Management; U.S. Fish and Wildlife Service; and California Department of Fish and Game. These lands are maintained in various National Forests; Parks; Wilderness Areas; National Grasslands; National Wildlife Refuges; and State Wildlife Areas. Next to the Appalachian region, Siskiyou County is one of the most ecologically diverse regions in the world. It sites the "meeting" of several western mountain ranges and the transitional mixing of various habitat types. Geographically, it has considerable vertical variance in elevation, hydrological and soil conditions. Portions of the County are heavily influenced by volcanic forces. Siskiyou County also has several areas that were unaffected by ancient glacial flooding. Siskiyou County is the fifth largest county by area and the population as of 2010 was 44,962 which is roughly a 11,000 population increase since 1970. The origin of the name Siskiyou is not known. In one version it is Chinook jargon for "bob-tailed horse." In another it comes from the French name Six Callioux meaning "six stones" and that Stephen Meek, an early Hudson Bay Company trapper used the name for a Klamath River crossing near Hornbrook.

# Siskiyou County Overview

County Seat	Yreka
Population (2012)	44,154
Total appraised value (2014)	\$4,333,767,948
Area of county (square miles)	6,287
Acres in county	4,038,843
Land in farms (acres)	1,153,246
Cropland acres	210,000
Irrigated acres	138,000
Rangeland (woodland and forest acres)	2,525,216
Urban areas (acres)	12,381
County road miles	1,398
State highway miles	325

**Incorporated cities:**

Yreka, Montague, Etna, Fort Jones, Weed, Mount Shasta, Dunsmuir, Dorris, Tulelake

<b>PEST EXCLUSION</b>		
Nursery stock and seed*	127 shipments inspected	
Phytosanitary Certificates	80 Issued	
Nursery Stock Field Inspection	3,043.99 acres inspected	

\*008's Included in total

# Weights & Measures

Our Siskiyou County Weights and Measures inspector tests a large variety of devices for accuracy; from small capacity scales used at your local farmers markets to vehicle scales for hay haulers. Any device that weighs or measures must be accurate before they can be placed into commercial use. That's where our inspector comes in. He ensures their accuracy and that they are approved for their specific use. If the device passes inspection, the inspectors places a county seal that is visible to consumer. When you see this sticker on your local grocery store scale or gas pump, you can be assured you are being sold an honest weight or measure.

<u>DEVICE TYPE</u>	<u>QUANTITY</u>
LPG Meters	41
Vapor Meters	1061
