EACH PERSON MAY ONLY CONTROL ONE (1) ANIMAL AT A TIME.

**June 27, 2019, 12:00-3:00 pm – WEED
College of the Siskiyous, 800 College Ave**

Public cooperation is greatly appreciated and will help to promote a safer living environment in Siskiyou County. This County is among the 58 counties in California to be declared as “rabies areas” by the Director of the California Department of Public Health in 2018. This declaration is based on the continuous detection of the rabies virus in California wildlife, and the consequential threat posed to domestic animals, livestock, and humans. Therefore, we need to work together in implementing this program to the best of our abilities. Thank you for your cooperation.

Special thanks to VIP Petcare for hosting the vaccine clinics. Visit them at
