Protection Time/ Temp.	1	Food Temp.			<p style="text-align: center; margin-top: 0;">ROUTINE INSPECTION CONDUCTED THIS DATE</p> <p>2) Observed chopping board stored across drain board and the adjacent compartment of the 3-comp sink. The microwave is stored on top of this drain board. A panini press is stored and utilized on the opposite drain board of the 3-comp sink. This ware washing sink must be unobstructed and available for use for proper ware washing. Move this equipment to another preparation area of this mobile.</p> <p>20) Food manager certification is expired. Obtain new food manager certification within 30 days. 2ND NOTICE</p> <p>Note: Mobile unit is utilizing their commissary in a non-conventional way that doesn't exactly comply with the California Retail Food Code. The facility uses a clean-out that is connected to the city waste disposal system, located at the building in which the mobile operates. They also obtain fresh water from the approved water system at the same location. Basic food preparation is performed at the Dunsmuir Community Kitchen, which serves as the mobile's official commissary. The mobile doesn't return to the commissary daily, and is supported by a mobile support unit. This operation is conditionally approved. This approval may be revoked if it is discovered the facility is operating in a manner that endangers the public through improper food handling, improper sanitation, or is in violation of any other codes, ordinances, or laws.</p> <p>Provide a copy of the current commissary agreement. 2ND NOTICE Provide a copy of the current restroom agreement. 2ND NOTICE</p>
