The facility was notified by the City of Dorris on Thursday(10/10/2024) night the water would be shut-off for a undetermined amount of time. As of 2:30 PM on Friday, October 11, 2024, El Tapatio was still open with a full lobby of customers, and was instructed by the City of Dorris and the Siskiyou County Health Department to remain closed until the water supply is restored. It is essential for a restaurant to have hot water and hand-washing capabilities to ensure proper sanitation, reduce the spread of food-borne illnesses, and maintain compliance with health regulations. This facility is required to stay closed until further notice from the City of Dorris and until the water supply is restored to the food establishment.</p>
