

RFP # 22-77 Questions and Answers Addendum

Question 1: The RFP scope of work is silent on the length of the term desired by the County of Siskiyou. Do you have any insight on that?

Answer: Siskiyou County anticipates requiring these services on an ongoing basis dependent on 1) the availability of funding for the program 2) the performance of the contractor and 3) the continued need of the target population. Depending on the experience of the contractor and the proposed budget, the County will consider an initial contract term of up to three years.
