Please answer and/or describe the following (Print or Type):

List your student activities other than studies, including offices held and honors received.

Describe your participation in organized activities outside of school (church, community, youth groups, etc.)

Do you have any special talent or ability aside from studies? What is it and what have you done to develop it?

- **Please respond to the following questions:**

1.) What college or vocational school are you planning to attend?

2.) What career or vocation do you plan to follow? Explain why or how you feel suited to this career.

3.) What particular skills or strengths do you possess that have not been mentioned so far?

ESSAY: Select ONE of the two questions below and write – no more than 300 words – on the question. **NOTE:** Attach your typed response to this application.

1.) The Friends of the Yreka Library (FOYL) relies on its volunteers in order to accomplish its goals. How do you view the role of volunteers in a community? Also, discuss or describe the volunteer activities in which you've engaged.

2.) Public libraries have grown with the adoption of modern technology, changing from a book repository to an active participant in today's world. Libraries offer much more than free access to books, newspapers, magazines and public computers. What do you see as the role of public libraries today and in the future?
