

The Siskiyou County Flood Control District (Siskiyou County GSA) will be discussing and possibly taking action regarding the following SGMA related items during the 4/17 Board meeting. The scheduled time is tentatively for 2:15pm but please be advised that slated items may be subject to change, this agenda is full and a later time may be expected.

- GSA Butte, Scott, and Shasta groundwater advisory committees and adding additional representation
- GSA utilizing DWR Facilitation Services for communication and engagement efforts
- Report on community outreach regarding the potential for a Shasta Valley Basin modification

Below is a link to the agenda, for your convenience the staff report is attached to this email.
