

Shasta Valley Basin Boundary Modification Update:

- ❖ On Friday January 4th, 2019, the Siskiyou County Flood Control and Water Conservation District (District) submitted technical comments regarding DWR's draft denial of the District's Shasta Valley Basin Boundary Modification (BBM) application. The District's comments came in the form of a technical memorandum from Larry Walker and Associates, the District's contracted SGMA technical consultants. The technical memo is attached along with the December 11th initially submitted comment letter from the District. The memo includes references to additional attachments and figures that can be viewed on the DWR SGMA portal page at <https://sgma.water.ca.gov/basinmod/modrequest/preview/185> and scrolling to Section J.2. You can also visit DWR's BBM website for additional information and view submitted public comments at <https://water.ca.gov/Programs/Groundwater-Management/Basin-Boundary-Modifications>. The District expects to hear a final decision on the BBM application from DWR by Wednesday January 16th.
